

IAG Performance Flex Fuel Line Upgrade Diagram.

This diagram illustrates how to route a COBB Flex Fuel sensor into an existing IAG Fuel Line Kit designed to work with a -6 Aeromotive FPR and IAG fuel rails.

Diagram is designed for use with:

Part#IAG-AFD-2203 Flex Fuel Line Upgrade

Part#IAG-AFD-2202 IAG Race Fuel Line & Fitting Kit (For use with IAG Top Feed Fuel Rails & -6 Aeromotive FPR).
